

Kareem Ghobrial

Outstanding Co-op Education Award

Saratoga Springs, NY

College of Engineering

Major: Mechanical Engineering

Co-ops:

General Electric, GE Capital – Norwalk, CT
Six Sigma Finance Digitization

General Electric, GE Aviation – Lynn, MA
(2008-2009) Component Design Engineer
Turboshaft Performance Engineer

"...while working at GE Aviation, Kareem was hand selected out of all the co-ops to play a major role in the NU/GE partnership team. During this time, he led many team conference calls and meetings; he became the NU/GE ambassador where he led on campus activities for GE. Kareem displays many leadership qualities, such as listening, good verbal communication and being organized. It is evident that he has powerful potential..."

—Karen Kelley, Mechanical Engineering
Co-op Coordinator, Northeastern University
