## Sophomore Success Strategy: Plan Ahead for Co-op

Students prepare for co-op by following these key steps *before* starting their first work assignment:

- Meet and schedule appointments with their assigned co-op coordinator (based on major)
- Practice job search techniques and interviewing skills
- Obtain job referrals and references from their networks
- Join student discussions and information sessions for global and domestic co-op opportunities
- Participate in mock interviews, attend Co-op and Career Development **workshops, events, and conferences by clicking here**
- Research firms/companies/organizations, prepare for and complete required co-op class assignments
