Spring Registration is Approaching

- Registration begins November 13th! Schedule an appointment with your advisor through myNortheastern to discuss courses for next semester. If you are on co-op, schedule a phone appointment and have a conversation during your lunch break.
- Be prepared for your meeting. Bring a curriculum guide and cross off all of the courses you have completed and those you are currently taking. If you are having a phone conversation, have a curriculum guide handy for the discussion.
- Create a plan of which courses you would like to enroll in for the spring semester.
- If you have questions and need to email your academic advisor, be sure to include your name, NU ID number, and the concern you have. This will help the advisor assist you best.

Sophomore Success Strategy: Do You Get Enough Sleep?

Did you know that 88% of college students don’t get enough sleep? This can result in impaired judgment, mood swings, health concerns, difficulty with remembering facts, and lower grades. The average adult sleeps 7 hours and 50 minutes a night. Utilize the sleep calculator at the link below to see how you compare!

Be a Boss of Boston: Fenway

House of Blues (Entertainment) – This prime venue hosts major musicians, and if you listen to the top 40’s weekly, your favorite artist might even play here!

Isabella Stewart Gardner Museum (Entertainment) – This little known museum holds some of the world’s rarest artwork. The museum came into existence because of a lady (Isabella) who had an art addiction.

Fenway Franks (Food) – A restaurant where you can get iconic Fenway cuisine in Boston.

Bodega (Shopping) – A hidden shopping gem selling shoes, caps, sportswear, and collections from new arrivals to limited editions. Even though the price tag here may give your wallet a run for its money, definitely visit the shop, as the concept of it is very intriguing. (It is literally hidden!)
