Healthcare Improvement Leadership Seminar Series
Sponsored by NU’s Healthcare Systems Engineering Institute

“Henry Ford Health System’s Malcolm Baldrige National Quality Award Journey”
Sue Hawkins
Senior Vice President of Performance Excellence
Henry Ford Health System

Tuesday, February 5, 2013, 4:30-6 pm
Raytheon Amphitheatre, Egan Research Center
Northeastern University, Boston MA 02115

Please RSVP to James Benneyan at chot@coe.neu.edu

Parking available at the Renaissance parking garage, or use the Green line Northeastern or Orange line Ruggles T stops.

The mission of NU’s Health Systems Engineering Institute is to affect broad impact nationally on healthcare processes via application, research, and education in systems engineering, operations research, process improvement, and related methods. For more information or to become involved please visit www.HYSE.org.
Directions to Northeastern University
Healthcare Systems Engineering

Raytheon Amphitheater, Egan Research Center building
360 Huntington Avenue
Northeastern University
Boston, MA 02115
http://www.northeastern.edu/campusmap/map/index.html

On campus: Raytheon amphitheater in the Egan Research Center building, building #60 on the below map (http://www.campusmap.neu.edu/). My cell number is 617-872-2975.

By “T” subway: You can take either the "E" Green line (Northeastern stop) or the Orange Line (Ruggles stop) - the Egan building is very close to Ruggles.

Driving/Parking: Park in the Renaissance Garage (building #62) on Columbus Avenue, pass through the Ruggles T stop station, and follow below map to Egan Research Center building (immediately adjacent to the water fountain).
