Naomi Fried, PhD
Chief Innovation Officer, Boston Children’s Hospital

Monday, May 13, 2013, 4:00-5:30 pm
Richards Hall, Room 200
Northeastern University, Boston MA 02115

Networking, gathering, appetizers at 4 pm
Program presentation at 4:30 pm

Please RSVP to chot@coe.neu.edu

Parking available at the Renaissance parking garage, or use the Green line Northeastern or Orange line Ruggles T stops.

The mission of NU’s Health Systems Engineering Institute is to affect broad impact nationally on healthcare processes via application, research, and education in systems engineering, operations research, process improvement, and related methods. For more information or to become involved please visit www.HYSE.org.
Directions to Northeastern University
Healthcare Systems Engineering Program

Richards Hall, Room 200
360 Huntington Avenue
Northeastern University
Boston, MA 02115
http://www.northeastern.edu/campusmap/map/index.html

On campus: Richards Hall is on the front of campus, along Huntington Avenue and immediately across from the Northeastern green line T stop, building #42 on the below map (http://www.campusmap.neu.edu/). My cell number is 617-872-2975.

By “T” subway: You can take either the "E" Green line (Northeastern stop) or the Orange Line (Ruggles stop).

Driving/Parking: Park in the Renaissance Garage (building #62) on Columbus Avenue, pass through the Ruggles T stop station, and follow below map to Ell Hall.
