PRESS RELEASE (4/24/12): NU BAJA Auburn Results

The Northeastern BAJA SAE team just returned from their successful trip to BAJA SAE Auburn hosted by Auburn University in Auburn, Alabama. The race consists of static events such as cost and design, dynamic events such as land maneuverability, suspension and traction, hill climb, and acceleration. The event is all culminated with a 4 hour long endurance race. The Northeastern team shined in the endurance race placing 2nd behind BAJA powerhouse, Oregon State University. The 2nd place endurance finish resulted in a 4th place overall finish out of 100 teams that competed.
