You will meet with an academic advisor to determine scheduling of these required classes:
- Elective General Elective 2
- Elective General Elective 3
- Elective General Elective 4
- **ENGW3302** Adv. Writing for Prof.

* Course selection will be determined in consultation with your first-year advisor. Students are encouraged to use AP credit and transfer credits obtained prior to coming to Northeastern to take advantage of the 4-year, 2-coop program.

**ENGW3302** is an acceptable substitution for engineering majors.

English course prefixes have changed from ENGL to ENGW. ENGW1111 is equivalent to ENGL1111. ENGW3302 is equivalent to ENGL3302.

**NU Core Elective Requirements: 2 required** - (One Arts Lvl 1 OR one Humanities Lvl 1) AND (one Social Science Lvl. 1)

**General Elective Requirements: 4 required** - Any 4 SH course that is not remedial or repetitive Electives may be interchanged. Please consult with your advisor: Lauren Machunis, 220SN, 617-373-2154

**Advanced Engineering Elective Requirements:** Must be 4000-5000 level engineering course; may be within any engineering major. A faculty approved undergraduate research project can be substituted for this requirement. Research must be 4 Semester Hours and the research faculty supervising the research project must approve project prior to registration. Proper registration form will be required; please see advisor for more details.

The registrar’s website provides a listing of degree requirements and the DARS system provides a degree audit utility for students.
