

**DARTMOUTH STREET CONTRAFLOW ALTERNATIVES**  
 Peter Furth and Mapolo Buessing, Northeastern University 2/27/2009

The top plan shows our preferred layout for each section. Altogether, there are 3 alternatives for Section Marlborough (Comm Ave to Beacon); 2 alternatives for Section Newbury (Boylston to Comm Ave); 2 alternatives for Section Copley; and 1 alternative for Section Stuart-Huntington. Alternatives can be mixed and matched section by section.
